## CLOSING REMARKS

Class of 2023

You did it! What an incredible high school experience you had. You began your freshman year nervous and unsure of what the year would bring. You were sent home for a two-week deep clean just as you were settling into your high school career. You went from being a student in class to a Zoomie online. You showed tenacity by continuing to participate in school activities while you were quarantined. Being on Zoom, participating in classes, sports, and working with your academics to try to maintain some façade of normalcy. You didn't return fully until your junior year when you finally had a full normal year of high school. You worked hard to make the most of your last two years of high school. You demonstrated school spirit by attending dances and cheering on your athletic teams. You created long-lasting memories while hosting one of the largest and best Proms to date. You left a lasting impression on all of your teachers.

You are on your way to making the world a better place but do not overlook that your experiences and capabilities are outstanding. Remember those who helped you along the way; they will always be there for you. You are strong, and you should prepare to grow into a stronger person. Try new things and surround yourself with positive people. Set new goals and never give up on reaching them. Remember to ride the wave while you are doing all of this.

Best wishes in everything you do. We cannot wait to see all of the amazing things you will do in the future. Forever a Lion! Keep it up, McClatchy class of 2023.
