

Sacramento Pioneer Association Scholarship

This year, the Sacramento Pioneer Association is awarding 4 promising Sacramento City Unified School District high school seniors with scholarships for attendance at a four-year college or university. The amount of the award is determined on an annual basis by the Pioneer Association Board of Directors based on available resources. Our award is earned by graduating high school seniors who exhibit academic excellence, leadership potential, civic engagement, and a strong sense of personal commitment to continuing education. We are particularly interested in rewarding qualified students who share our interest in the cultural and environmental history of the Northern California region.

MINIMUM QUALIFICATIONS

- Must plan to attend a four-year college or university beginning the next academic year.
